The Empathy Map

Pains and Gains

Sarah

Age: 32

Post: Software Engineer

Work Time: 9-10 Hours/day

Says

- "I'll absolutely start stretching and working out this coming Monday."
- "If this meeting doesn't wrap up in five minutes, I'm going to start responding in code."

Does

- Sits for 10 hours a day with no walks or breaks.
- Drinks strong coffee to avoid afternoon energy slumps.

The Empathy Map

Thinks

- "I am so tired, I want to lie down."
- "My life outside of this building is completely nonexistent right now."

Feels

- Overwhelmed by complex fitness apps demanding a one-hour gym commitment.
- Guilty when looking at a tracker for daily steps.

Pains

Back pain from sitting too long

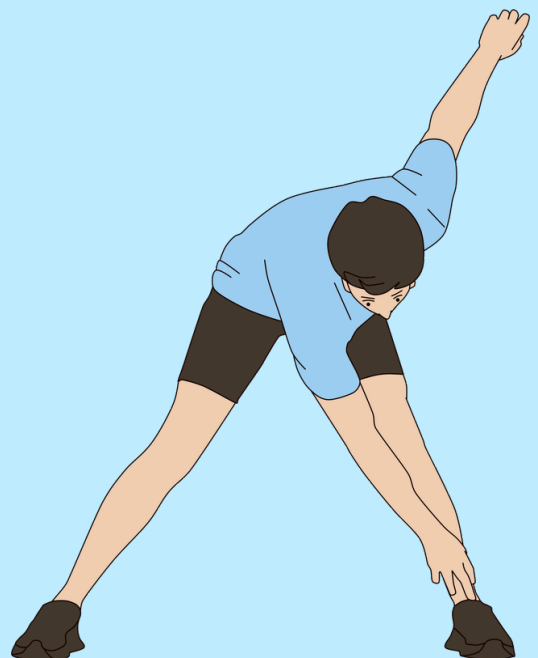

Time Poverty: Back-to-back meetings don't leave time for long workouts.

Gains

Ergonomic chairs provide back relief and comfort.

Quick 5-minute standup exercise
